When it comes to Theatre and Venue Ticketing – Encore are the tops, and that’s official.

Encore Tickets won the ‘Best Service Provider – Theatre and Venue Ticketing’ in the independent UK Coach Awards and UK sales manager Richard Woolliss (left) and managing director John Wales have got the gong to prove it.

Said John Wales: “There could be no better reward for our efforts than to receive this award from our partners in the coach industry. We are particularly delighted to have now won the award for the third time proving that we have been able to keep up the high standards our customers expect”

In Spring this year Encore launched Encore Direct offering coach tour operators access to their room allocations at top central and outer London hotels. With great value ticket and hotel packages from just £48pp combined with Encore’s unique ticket indemnity programme for Coach Operators Encore Direct is another great addition to the Encore product rang.

Said Richard Woolliss “We’re known as the Theatre and Attraction specialists but what many people don’t know is that for the past seven years our dedicated team of hotel experts has sold over many thousands of room nights across London’s hotels”.

Established in 2000 Encore Tickets is the largest independent theatre agent selling over 1.5 million tickets per year – more than 1 in 8 of all tickets sold for London’s major theatres. It employs over 80 staff speaking 18 different languages, is a fully bonded ticket agent and a member of the Society of Ticket Agents and Retailers.
