Add-on: Workshop

Validity: Monday to Friday, evening and matinee

Group Size: 20+

Description: Through the exploration of the show's text, our workshop focuses sharply on the themes of citizenship and family. In **BLOOD BROTHERS**, adult actors play the Johnson twins between the ages of 7 and 30, demanding intense emotional commitment and the ability to portray various ages. The utilisation of 'try' games and group exercises help young people to explore and understand emotional memory, thought-tracking, and physical and vocal techniques.
