

Show: CHICAGO

Add-on: Workshop

Validity: Monday to Friday, evening and matinee

Group Size: 20+

Duration: 90 mins

Description: This workshop explores the techniques used by theatre to manipulate what the audience sees, hears and feels. Similarly, **CHICAGO** centres on how the media can manipulate public perception. Students will learn about the true-life murderesses of the Cook County Jail, and how Bob Fosse inspired the present-day incantation of the musical. The session concludes with the students creating their own version of *Cell Block Tango*.
